

For Immediate Release in the U.S. and Canada

LINE 204 Inc. / Angstrom Lighting / LINE 204 Events

Los Angeles, CA (December, 2011) – Line 204 Inc. a leading film and production studio in Hollywood since 1997 has increase their holdings in California with the opening of their new 15,000 square foot location. Line 204 has been facilitating a need for event equipment as a rental service for wrap parties, gala events and charity benefits under their Line 204 Events division. Since opening the division just two short years ago the company has exploded onto the public scene with celebrity events, Hollywood weddings, charity benefits, fashion shows and private events. As recently as December 10th, Line 204 Events supplied MTV’s Rob Dyrdek for Fantasy Factory and Paris Hilton’s Electric Xmas event. Headquartered in Hollywood at 837 Cahuenga Blvd, they have just announced their acquisition of a new at 7309 Lankershim Blvd in North Hollywood.

“With our success as the fastest growing event company in Los Angeles, we simply had to expand into a new warehouse in addition to our downtown Hollywood location. Even this location is only a 15 minute drive from Hollywood”, states Alton Butler President of Line 204 Inc.

It was as little over 1 year ago that Line 204 Inc. acquired Angstrom Lighting. Adding to the clout as the premier rental house in Los Angeles as a one stop destination for events, lighting and production. Angstrom Lighting is known for producing all of the equipment and staging for the Hollywood Walk of Fame events for the Hollywood Chamber of Commerce. “When the Chamber calls us on a moments notice to perform, it becomes our chief priority”, stated John McQuay, Angstrom Director.

Angstrom is responsible for the lighting columns at the 6th busiest airport in the world LAX and Enterprise Cafe. With all of the new acquisitions and company services, the new warehouse was a highly anticipated move on the part of Line 204 Inc.
